Date

*There are a few changes for this spring season. **First**, numbers are restricted and after the track program is full we will start a wait list. **Second**, this season we will focus solely on sprints, horizontal jumps, distance and relays; other track events may be introduced, but will not be practiced on a regular basis. **Third**, we are offering 2 seasons – a core season and a competition season. The first season will be April 7 – May 29 and the competition season will run May 12 – June 22. The competition season includes several track meets, culminating with the USATF NC District Championship meet June 19-22 in Durham. Anyone may do both seasons, with the commitment of going to at least one meet in the competition season.*
